# CAMP CHICKAMI

Founded in 1955, Camp Chickami is a traditional day camp located on 22 acres of wooded land in Wayland, MA. Chickami is place for campers to unplug, leave behind distractions and focus on being a kid. Campers build meaningful relationships, learn social skills, and discover their most authentic selves through creative play and enjoyment of nature. Health and safety are at the forefront of everything we do at Camp Chickami.

## COVID-19 and Camp Chickami:

In 2020, despite challenges, we operated a safe, successful, and FUN camp season for hundreds of children at Camp Chickami! While safety and health at our camps has always been our number one priority, we recognize that summer 2021 will again be quite different in terms of safety precautions. We anticipate operating in a similar manner to 2020, continuing to focus on the many new habits all of us have had to develop, from social distancing to mask wearing, to new sanitation procedures and healthcare protocols.
